

# A Parent's Guide to ParentSquare

# About Parent Square

- **ParentSquare is now being used as the primary communication platform for the Islip School District**
- **It is accessible via mobile application or on a computer (web-based)**
- **Parents can receive communications from administrators or teachers**
  - **Posts and messages can be sent by administrators or teachers**
  - **Alerts can be sent by administrators only**
- **Parents can access all of their children's classes as well as any groups their children are enrolled in on ParentSquare**

Good morning! Attached is the latest copy of our game schedule. Please note that there have been some recent changes. Our schedule and directions to all away games are always visible at [www.sectionxi.org](http://www.sectionxi.org).

Here is where you can see your children and the building in which they go to school. If you have children in multiple schools, you can also switch buildings here.

Here is where you will see any posts that have been sent to you from the school your children attend.

- Esperanton (Esperanto)
- Eesti (Estonian)
- Deutsch (German)

You can choose the language in which you will receive messages. This will change the language in the app, and you can communicate in your chosen language.

# Messages

The screenshot shows the ParentSquare interface for Islip High School. The top navigation bar includes 'ParentSquare Home', a search bar for posts, a language selector for 'Español', a notification bell, a heart icon, and a user profile dropdown for 'Parent Name'. The left sidebar lists navigation options: 'Child's Name' (9th and 10th grade), 'COMMUNICATE' (Posts, Messages, Alerts and Notices), 'EXPLORE' (Directory, Calendar, Photos, Videos, Files, Links), and 'PARTICIPATE' (Groups, Volunteer Hours). The main content area is titled 'Messages' and contains a text prompt: 'Start a conversation or send a direct message to one or more' with a 'New Message' button. Below this, it says 'No messages'. A red box highlights the 'New Message' button and the text prompt. A red arrow points from a text box below to the 'New Message' button. Another red arrow points from the text box to the right.

New Message

You can send direct messages to your child's teachers by clicking **New Message**; when you send or receive a message, they will appear to the right. The appearance of them is much like text messages you might receive on a phone.

**Message**

Message

You can type the name of your child's teacher and include your message here. When you are ready, you can click **SEND**.

Your child's teachers will appear here. You can check the teacher you would like to send a message to, or you can enter the name below.

# Alerts

The screenshot shows the ParentSquare interface. On the left is a navigation sidebar with categories: COMMUNICATE, EXPLORE, and PARTICIPATE. Under COMMUNICATE, the 'Alerts and Notices' option is highlighted with a red oval. The main content area is titled 'Alerts and Notices' and contains a list of alerts. A red box highlights the first two alerts: 'Alert: 9th Graders Receive New Laptops' and 'Alert: Class Jersey Order'. A red arrow points from a text box on the right towards the 'Alerts and Notices' section in the main content area.

**Alert: 9th Graders Receive New Laptops**  
Wednesday, Sep 7 at 7:13 PM • Islip High School

Email Text Message

**9th Graders Receive New Laptops**  
Dear Students and Parent(s)/Guardian(s):

The Class of 2026 will be receiving new laptops and chargers during their lunch periods on Thursday, September 8, 2022 and Friday, September 9, 2022. A station will be set up outside of the cafeteria during lunch periods on these days; if a student does not have a lunch period, they may stop by the Technology Office (room 134). In order to receive a new... Read More

**Alert: Class Jersey Order**  
Friday, Sep 2 at 2:00 PM • Islip High School

Email Text Message

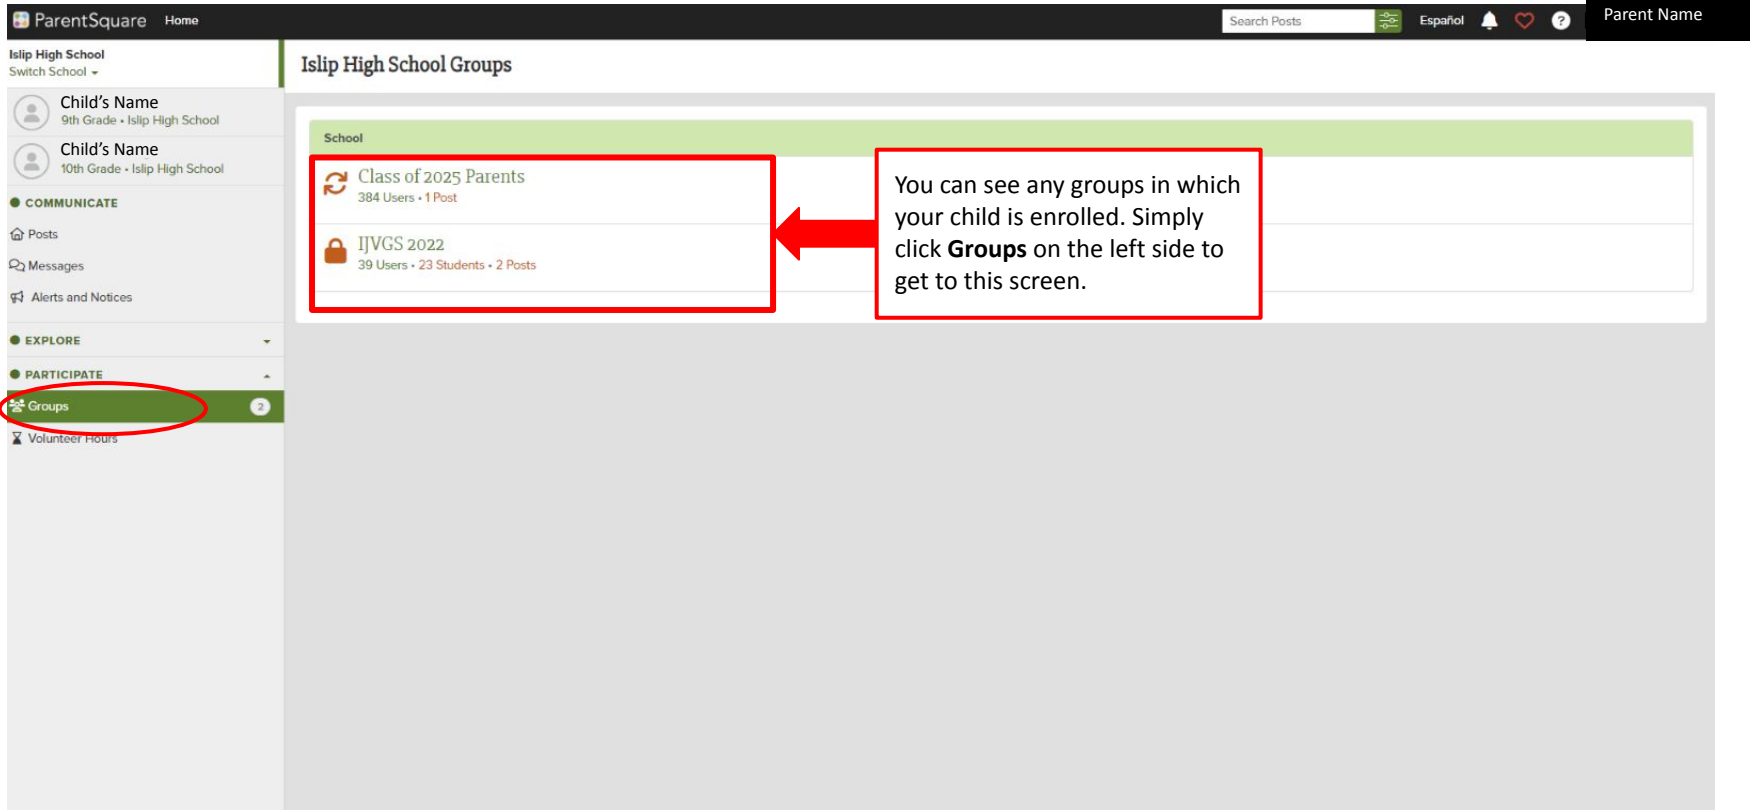

**Class Jersey Order**  
Hello Class of 2026:

Welcome to the high school! Great news: It is time for the exciting tradition of ordering your first item of Islip High School spirit wear! This year we will be ordering long-sleeve dri-fit shirts with your last name on the back and "Class of 2026/Islip" on the front. To make the ordering process easier, all orders will be placed online at: Home | Islip Class of 2026... Read More

**Alert: Welcome Back**  
Wednesday, Aug 31 at 3:42 PM • Islip Union Free School District

You can see any alerts that you have received on this page. Simply click **Alerts and Notices** on the left side to get to this screen.

# ParentSquare Mobile Application

# Home Screen

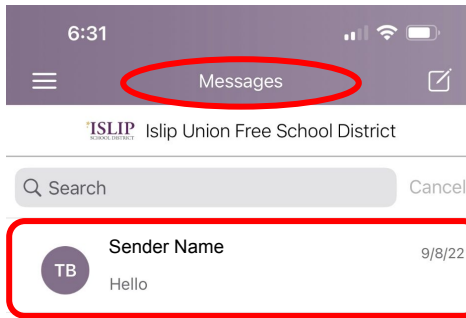

On your home screen, you are able to see Posts and Alerts. On the bottom of the screen, you can also switch between features.

**Messages** - this will be where any direct messages will appear

**Events** - this will be where any calendar events will appear

**Media** - this is where any photos, videos, or files sent will appear

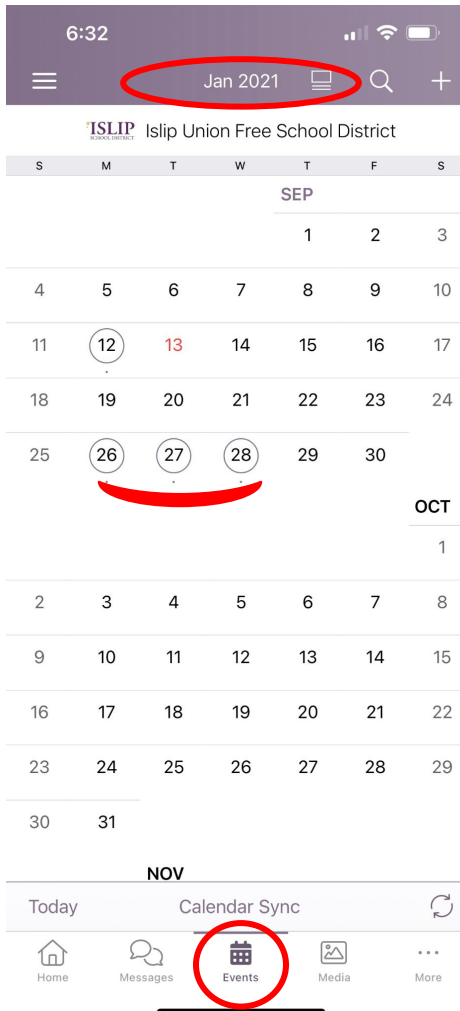

## Messages

On your Messages screen, you will see any direct messages from teachers or administrators. This function is similar to a text message you might receive on a phone

## Events

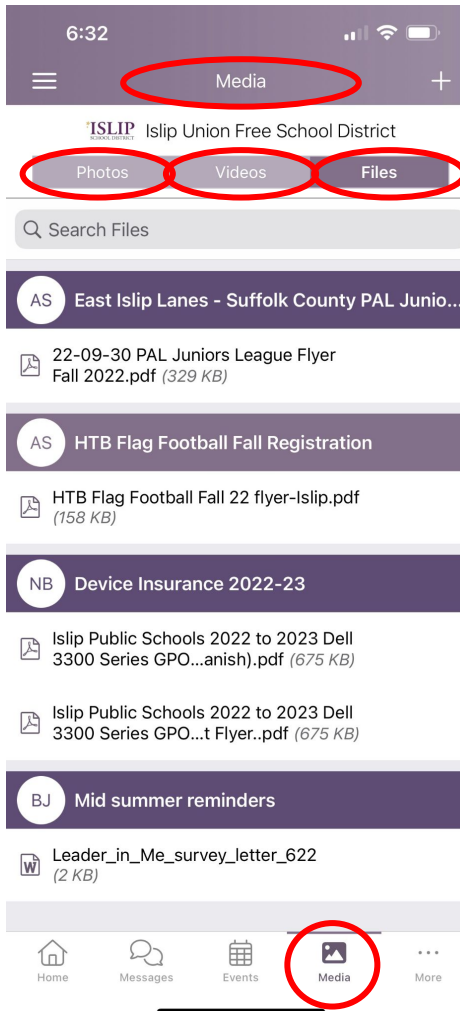

On your Events screen, you will see any calendar events that are entered by your building(s) or District. They are indicated by the circled dates on the calendar.

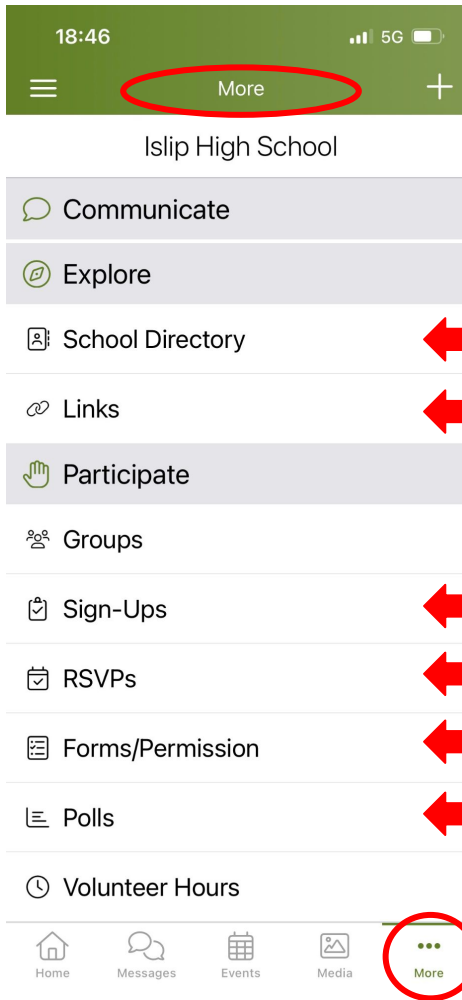

# Media

On your Media screen, you will see any photos, videos, or files sent by your building(s) or the District. They are indicated by the circled dates on the calendar.

# More

On your More screen, you will see additional helpful links.

School Directory includes all staff with their email addresses

Links includes all web links included by each building/District

This includes any pending Sign-Ups you may have received

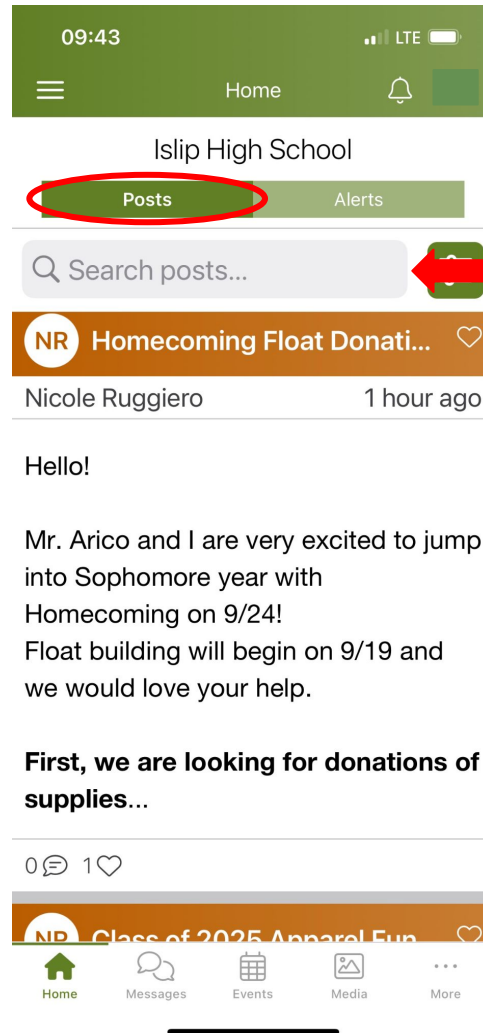

This includes any pending RSVPs you may have received

This includes any pending Forms you may have received

This includes any pending Polls you may have received

# Posts

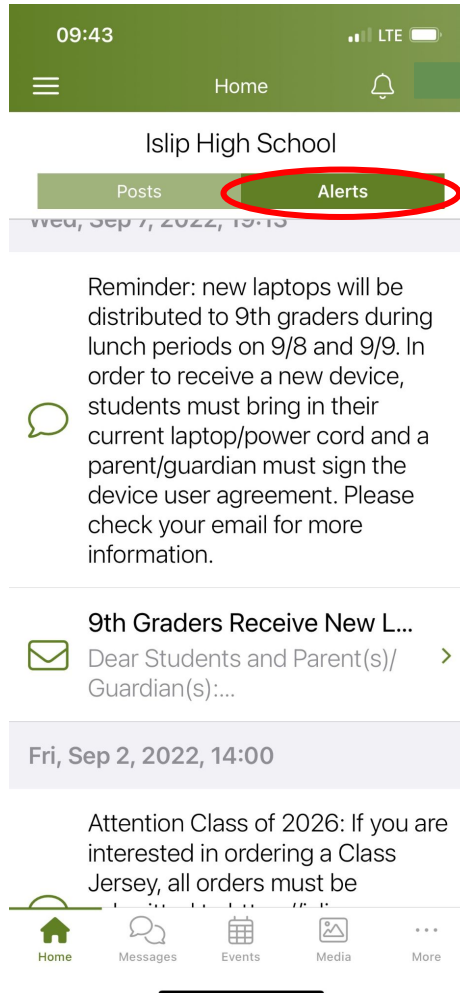

Posts can be sent by teachers or administrators. They can be found in a feed on the Post page. You can also search to find posts you may have missed or need to access.

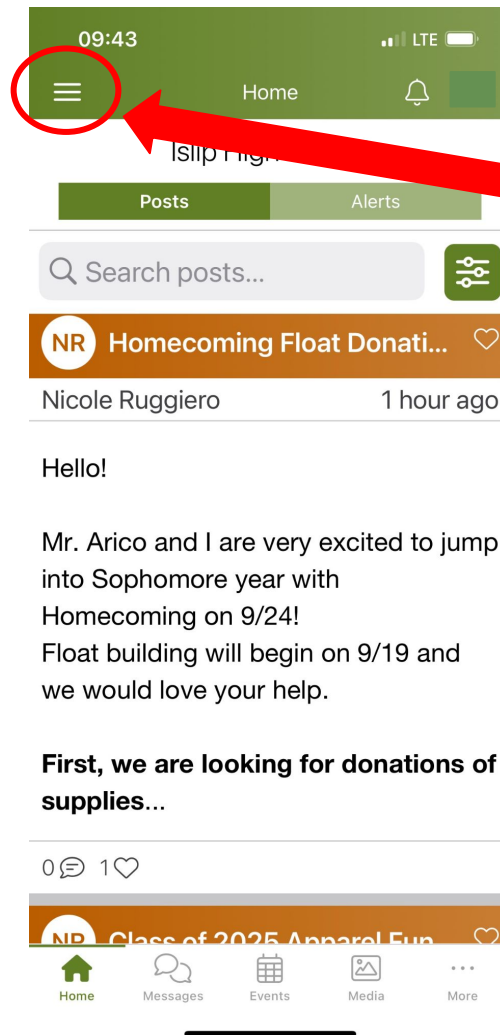

Search Posts here

# Alerts

Alerts can be sent by administrators. They can be found in a feed on the Alerts page.

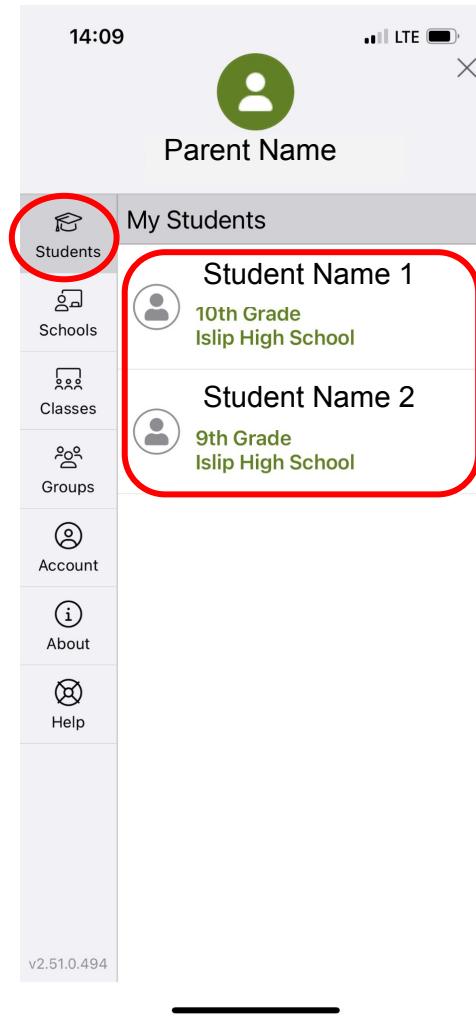

# Home Screen

By hitting the Menu in the top left corner, you can access additional features

# Students

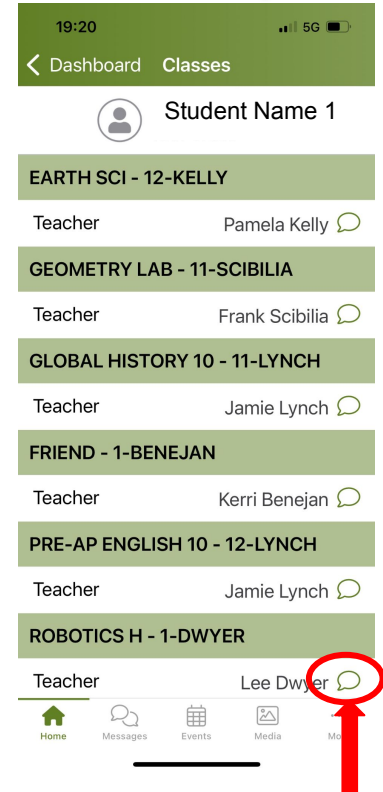

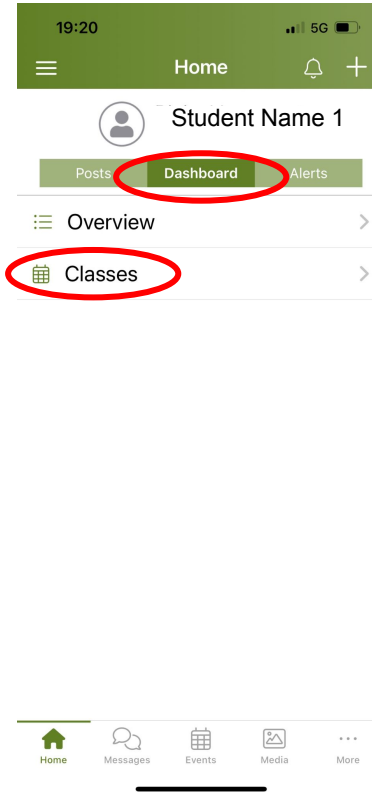

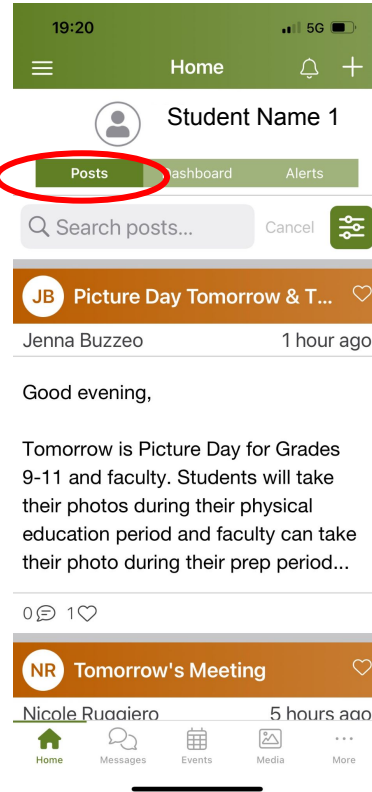

Alerts can be sent by administrators. They can be found in a feed on the Alerts page.

Here you would see a list of your children attending District Schools. You can click on your child

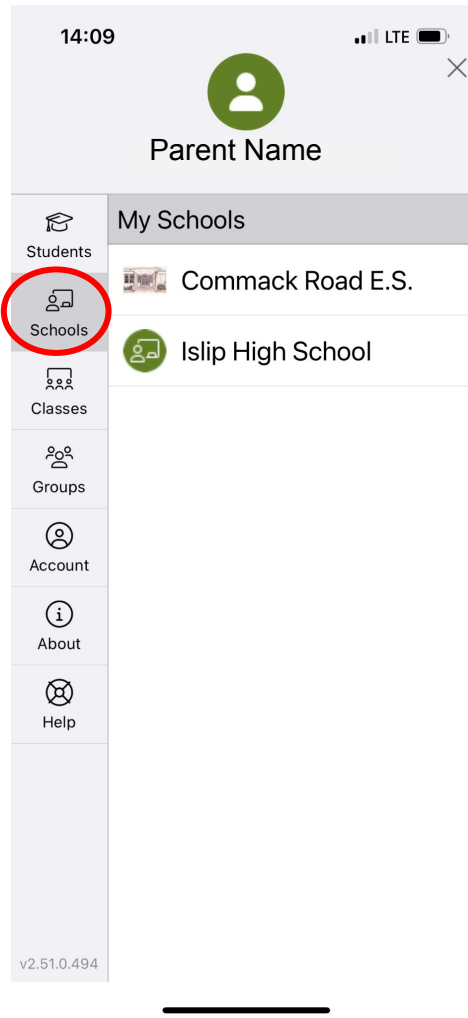

# Students

When you click on your child's name you are brought to this page. You can switch between Posts, Dashboard and Alerts. On your Dashboard, you can click into classes and click the speech bubble to message a teacher.

# Schools

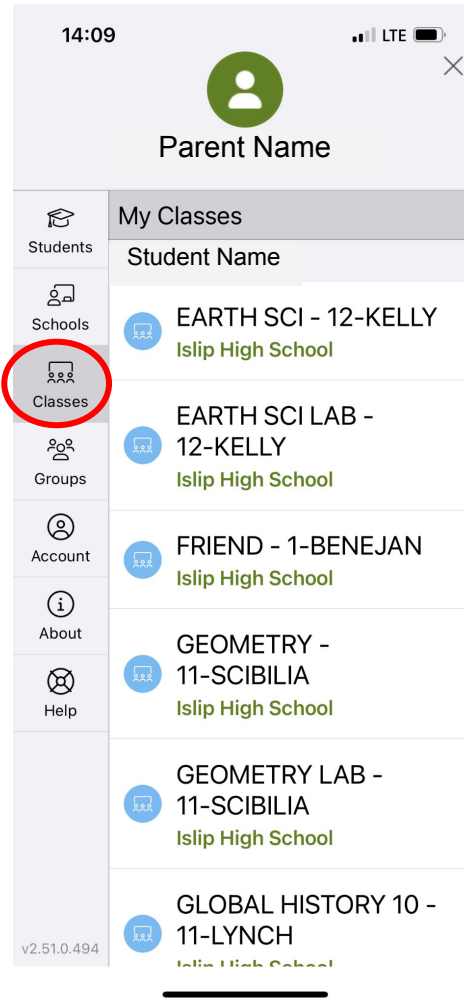

Here you would see a list of the schools your children are attending, and you can visit each site to see their Posts and/or Alerts.

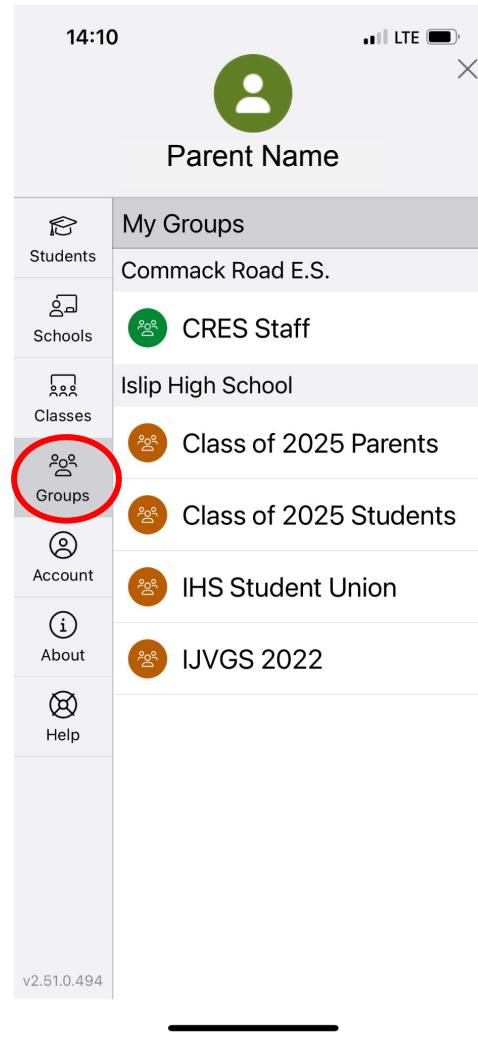

# Classes

Here you would see a list of your child's classes. You can click the individual classes to see any Posts sent to that class.

# Groups

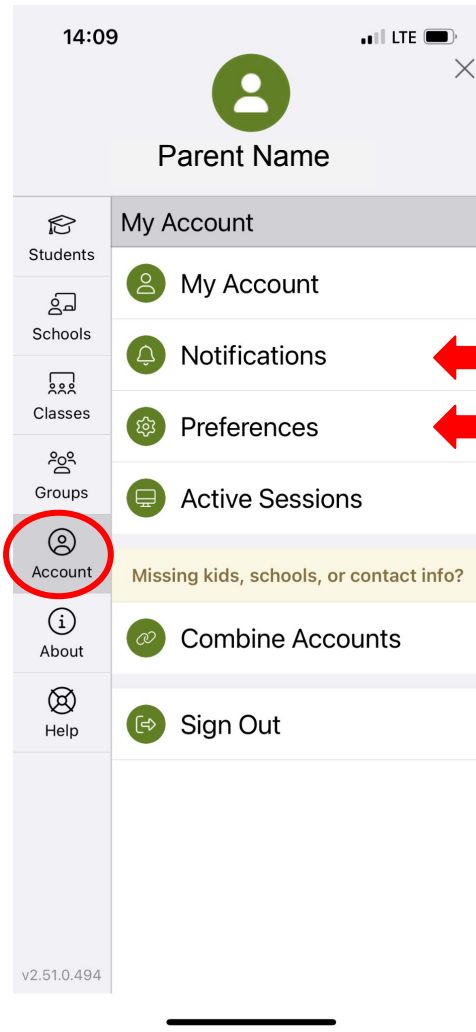

Here you would see a list of the Groups your child is a member of in school. Groups are commonly used by sports teams or clubs, but groups can also be created for grade levels.

You can click into a group to see the Posts sent by that group.

# Account Preferences

Here you can control some of your user preferences. Most importantly, you can control your notification settings, and you can set a default language.

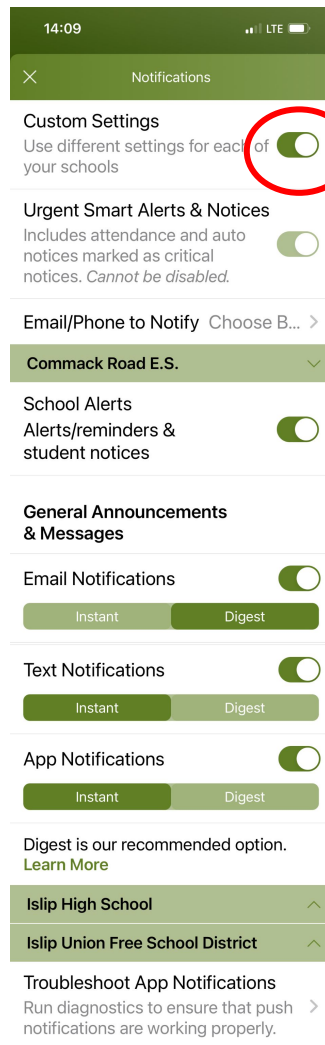

Click here to control notification settings

Click here for additional preferences, including setting a default language.

# Notification Settings

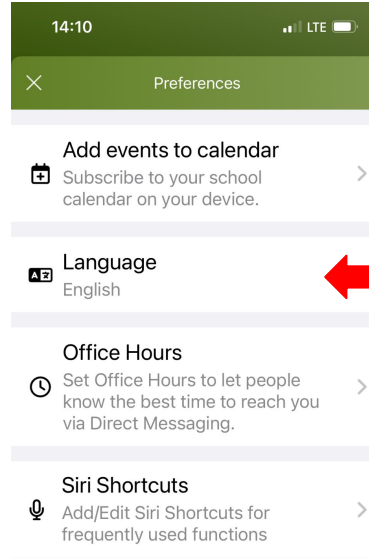

On this screen, you can set your notification settings. You can customize by school if you choose to do so.

You can elect to get messages instantly (Instant), or once per day (Digest).

# User Preferences

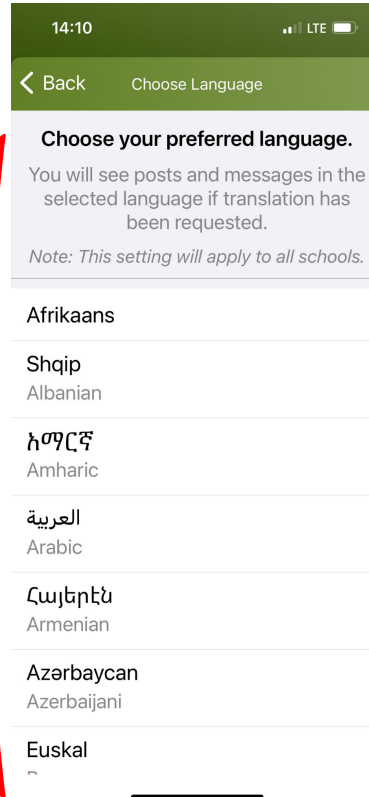

Here you can subscribe to the school calendar on your device, set a default language for the application

Click here to set a default language.

# Language Settings

Here you set a default language for the application. There are dozens of languages to choose from.

Choosing a default language will help you to communicate to your child's teachers in your preferred language. It will change the entire application to that preferred language.
