FIELD TRIP PERMISSION SLIP

September 6, 2019

RE: Field Trip to LIU Post on Wednesday, October 16, 2019

Dear Freshman Parent/Guardian,

College visits are an essential part of becoming prepared for future academic decisions. In order to introduce our students to the college experience, the guidance department of Islip High School is excited to announce that it will be taking the freshman class to visit Long Island University Post, located in Brookville, Long Island, on **Wednesday, October 16, 2019**. This is a wonderful opportunity for students to learn firsthand about the college environment and begin to get a feel for their college and career interests.

Students should arrive to school as usual and report to the cafeteria for attendance. Buses will depart the high school at approximately 7:30 am. We are scheduled to arrive at the LIU Post campus by 8:45 am. The freshmen will participate in both a campus tour and an informational session geared towards college and career readiness.

Before boarding the bus back to Islip High School at 12:15 pm, students will have lunch provided by the campus in the college cafeteria or the option of eating a bagged lunch from home. We will be returning to the high school before regular dismissal.

Please sign the attached permission slip and have your child return it to his/her guidance counselor no later than **Friday, September 27, 2019**. If a permission slip is not returned, it will be our understanding that your child will not attend this activity.

We look forward to spending the day with your children while giving them insight into future possibilities. Should you have any questions, please feel free to contact my office at (631) 650-8350.

Sincerely,

Jaime Fulton
